A woman naturally expects her husband to pay for her hats. In fact a woman seldom even sets her cap for a man without expecting him to pay for it.

## OBITUARY.

Unable to live when separated from her life's partner, Mrs. Arabella C. Oldham of the late Geo. W. Oldham, an honored citizen of the city of Maysville, died Sunday, September 15th, 1914, at St. Luke's Hospital, Cleveland, Ohio, and went to her reward above.

A broken heart and unrelenting grief caused her to close her eyes in that last long sleep so that she might once more be with her beloved whom death so cruelly tore from her side.

Mrs. Oldham, a life long citizen of our city, fell asleep to awake in the presence of Him, whom she so loved and devotedly followed many, many years. Blooming as a rose plucked from its stem and whose beauty is discerned by all, so she was plucked from our midst and lives in her beauty, still an ornament in the palace of Heaven, as sweet as is the fragrance of roses, so sweet was her presence in her household. But she is more blessed now. In her home her place cannot be filled. She can never be forgotten. Though the hand of death has visited the home and removed its brightest gem—a gem so rare, yet it was by His will who ruleth all things and it behooves all to be reconciled. Let her loss be mourned no longer. Let there be rejoicing because she is more blessed. To the land of perfect rest she has gone, and as a glorified spirit she now hovers near to guide, protect, and lead up.

Mr. S. Straus has returned home after his annual summer visit to Petosky, Mich.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

## SHERIFF AFTER

Holly Askin of Robertson County, Who Is Charged With Assaulting Young Girl.

(Augusta Chronicle.)  
Deputy Sheriff Gibson, of Brooks ville, has a warrant in his possession for the arrest of Holly Askin, of Santa Fe, this county, the charge being a most serious one.

Askin, who is about 35 years of age, is a son of George Askin, living at Santa Fe, and has been engaged with his brother in selling farm implements, luggies, etc., as well as farming and has always borne an excellent reputation as far as we have been able to learn.

About 4 o'clock on Sunday afternoon September 6th, Askin drove to the home of John Will Jett, which is in sight of the Askin place, and asked Miss Emma Jett, the seventeen-year-old daughter, to take a buggy ride. The young lady consented and the couple drove to Mt. Olivet, which is only a few miles away, and upon their return home, while just across the line in Robertson county, the young lady alleges that she was criminally assaulted by her companion, who threatened her with death, she says, if she told her parents, but immediately upon her arrival at home she told her father, who started in search of Askin, who had disappeared.

A physician was summoned and it is claimed that he discovered that the young lady had been badly injured by her alleged assailant. The angry father went to Mt. Olivet, employing Attorney Robert Buckner, who in turn associated himself with Attorney Allen D. Cole, of Maysville, who were instructed to prosecute the case in a vigorous manner.

John Will Jett is one of Robertson county's prosperous farmers, and to gether with two brothers owns probably 1200 or 1500 acres of land. His daughter is small of her age, and has always borne a most excellent reputation.

## COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief In Novel Way.

Adrian, Mich.—"I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work. In these words is hidden the tragedy of many a woman, housekeeper or wage earner who supports herself and is often helping to support a family, on meagre wages. Whether in house, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.
